

**All horses must follow USET Biosecurity Protocol (we are following USEF Rule GR845) . Please make sure this is communicated in advance to all of your participants:** All horses entering the USET Foundation grounds must be accompanied by the following:

- **Documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months** prior to entering the stables. **THIS IS MANDATORY FOR EVERY HORSE ENTRY AND THERE ARE NO EXCEPTIONS!** Horses not in compliance with this will be required to leave the grounds upon request of the USET Foundation.
- **Statement of Health**, signed by a licensed veterinarian within 7 days of arrival at USET Foundation property.
- **Current negative EIA (Coggins) Test.**
- Current vaccinations against WNV, EEE, WEE, Tetanus and Rabies are strongly recommended.
- It is required that all riders document in writing their horses temperatures for **72 hours PRIOR to arrival** at the USET Foundation Stable. Please do **NOT** ship horses with elevated temperatures.
- It is required that **written temperature logs** be kept on a daily basis (2x's per day) for all horses stabled at the USET Foundation for the duration of their stay.
- Any horse on the grounds with a fever of unknown origin must be reported immediately to Maureen Pethick at the USET Foundation [908-234-1251 ext 207](tel:908-234-1251).
