Dear Friends,

Thanks to your incredible support, the United States Equestrian Team produced another banner year. It is because of your continued commitment to our athletes and programs that we are able to achieve outstanding results. Looking back on all of the amazing achievements from 2019, I feel incredibly proud of the hard work, comradery, and talent that our athletes showcased.

At the Pan American Games in Lima, Peru, the U.S. led the medal haul, bringing home eight—an impressive feat! The eventing team won gold, clinching an all-important ticket to the Tokyo 2020 Olympic Games, while Boyd Martin earned individual gold and Lynn Symansky claimed silver. Rising dressage stars, Sarah Lockman and Jennifer Baumert, won the gold and bronze individual medals, respectively, helping lead the dressage team to a silver medal finish. In jumping, veteran Beezie Madden helped the team earn bronze, while also winning individual bronze.

In addition to celebrating the Pan American Games victories, the emerging and developing athlete programs continued to flourish. Over 400 athletes in multiple disciplines benefited from these important programs last year. Thanks to you, these programs remain strong, continue to identify promising talent and help pave the ‘path to the podium’ for many up-and-coming athletes for future championships.

Because of the wonderful generosity of the USEF Foundation’s friends, supporters, and stakeholders, the future is bright for the United States Equestrian Team. Vital contributions have allowed US Equestrian to increase its support for the high performance programs, as well as expand the all-important development programs. As we head toward the culmination of the quadrennium with the Olympics Games, we’d like to extend our unwavering gratitude to each of you for helping our teams and athletes achieve their dreams.

Sincerely,

W. James McNerney, Jr.
Chairman, President and CEO

Note – At the time of printing, the 2020 Olympic and Paralympic Games have been postponed until July 23 – August 8, 2021 due to the COVID 19 virus, as well as the cancellation of competitions, selection trials and training sessions. We are working closely with USEF to stay abreast of the changes to the high performance programs and preparations for the Games in 2021. Keeping the health and welfare of our athletes the priority, we remain committed to our mission of supporting athletes, promoting international excellence and building for the future. Thank you for your friendship and most loyal support as we navigate these challenging times!

“I’d like to thank the Foundation for its unparalleled support of equestrians like myself,” said Moggre. “It is an honor to represent American show jumping. Hamilton Farm is the headquarters for the USET Foundation’s staff, as well as some offices for US Equestrian’s High Performance personnel. The facility continues to be a center for High performance training and competitions, as well as a sought after venue for local equestrian and special events. In 2019 the Foundation hosted various events including: the Platinum Performance/USEF Talent Search Finals East, Richard Spooner Jumping Clinic, Jeff Cook Jumping Clinic, Garden State Horse Show, Monmouth at the Team Horse Show, NJ Region Pony Club Horse Show and Rally, ESDCTA Summer Days Dressage Horse Show, Side Saddle Clinic and Horse Show, USEF Dressage High Intensity Training Sessions, Purina VIP Regional Show Jumping Clinic and pre-export travel and quarantine for various international disciplines.

This year, Michael Page, Olympic eventing medalist, former chef d’équipe, respected judge and clinician paid tribute to his two horses, Grasshopper and Foster, the horses who were his partners when he rode for the U.S. Equestrian Team during the 1950’s and 60’s, by naming a stall in their honor. Aboard Grasshopper, Michael won team silver at the 1964 Tokyo Olympic Games, team silver and individual gold at the 1963 Sao Paulo Pan American Games and team silver and individual gold at the 1959 Chicago Pan American Games. Riding Foster, he won team silver and individual bronze at the 1968 Mexico City Olympic Games and team gold and individual bronze at the 1967 Winnipeg Pan American Games. Gladstone is also where he met his wife, Georgette, who was Foster’s groom. During the stall naming ceremony Page shared many wonderful and sometimes quite humorous stories with his guests about his team trips and living and training in the hallowed walls of Gladstone. Page said his memories of Gladstone will forever hold a special place in his heart.
