UNITED STATES EQUESTRIAN TEAM FOUNDATION 2021 ANNUAL REPORT

Photo by Shannon Brinkman

From the President

Dear Friends,

For many, our success in 2021 was the awe-inspiring culmination of hard work and perseverance amid the unexpected twists and turns that 2020 presented all of us.

Without a doubt, the pinnacle event of the year was the Olympics and Paralympic Games in Tokyo, Japan. The complexities due to COVID-19 made this Games not only logistically challenging, but also made it the most expensive Games in the history of the U.S. Equestrian Team. Yet, it's clear to me that the collective efforts of coaches, athletes, horse owners, and those supporting the US Equestrian (USEF) High Performance programs paid off in spades as we witnessed a number of brilliant historical moments. The U.S. dressage team claimed a silver medal—the first time the discipline brought home an Olympic medal of that color since 1948—the U.S. para dressage team claimed the team bronze medal, and world number one para dressage rider Roxanne Trunnell landed individual gold twice and set a world record with a score of 86.927 percent. The jumping team also earned its second consecutive Olympic team silver medal.

This year, the hard work continues as we look toward the 2022 World Championships in Herning, Denmark, and Pratoni del Vivaro, Italy, the quickly approaching 2024 Olympic and Paralympic Games in Paris, France, and a return of a home Games in Los Angeles, California in 2028. Our continued prominence on the world stage relies on the ability to provide the necessary resources that will enable our teams to excel at the largest international competitions. As the philanthropic partner to USEF, the USET Foundation is responsible for supporting the needs of both developing and elite U.S. equestrian athletes. The comprehensive USEF Pathway and Developing programs that are in place across disciplines are particularly important. By offering training and competition opportunities for up-and-coming athletes, we have developed a robust pipeline of world-class talent that will enable us to sustain our podium finishes at key events like the World Championships and Olympic and Paralympic Games.

Case in point, CHIO Aachen where history was made once again when the NetJets® U.S. Jumping Team secured the gold medal, the Land Rover U.S. Eventing Team achieved their best results ever in the CCI04*-S by clinching the silver medal, and the Dutta Corp. U.S. Dressage Team finished in a respectable fourth place. Placing first individually, eventer Will Coleman became the first American to top the eventing podium at Aachen, and young jumping star Brian Moggre took second place in the Rolex Grand Prix. All of these teams were composed of a mix of veteran athletes and up-and-comers, most of whom participated in a USEF Pathway or Developing program at some point in their career.

In 2021, we also celebrated accomplishments in non-Olympic disciplines. Jacob Arnold competed at the 2021 FEI Driving World Championship for Pairs in Kronenberg, the Netherlands, and the U.S. Endurance Team surpassed more than 15 other nations to earn fifth place at the 2021 FEI Endurance World Championship for Young Riders & Juniors in Ermelo, The Netherlands.

Reflecting on the array of gold, silver, and bronze medals our equestrian teams earned at the Games, and our achievements across disciplines, is nothing short of inspirational. Equestrian sport is not for the faint of heart, but it's also a sport that has a uniquely loyal community. 2021 proved that our teamwork was not in vain, and I am moved by the dedication of all involved. To the friends of the USET Foundation, thank you for your unwavering support. Thanks to you, we will continue to make the United States proud.

Sincerely,

W. James McNerney, Jr.
Chairman, President, and CEO

“*I think being chosen for the Lionel Guerrand-Hermès Trophy reflects what my parents and my trainers have instilled in me. I’ve always been told horsemanship comes first. Yes, it’s fun to win, and it’s fun to be successful, but it is most important that you’re polite, kind, and care about the horses. I’m honored that my focus on horsemanship has been acknowledged, and I’m thrilled to be selected.*”

“I have absolutely loved being a part of U.S. equestrian teams, and I’m passionate about inspiring young riders to do it as well. It’s important for me that the U.S. stays at the forefront of the sport worldwide. It’s been a lot of fun to be a part of a rider’s first-time experience on a team. For example, this year in Aachen, to ride on the team with essentially all young riders, and to be there with them for that experience, was as much fun as the first time that I went.”

WHITNEY STONE CUP

Laura Kraut

Kraut represented the United States on several 2021 Nations Cup teams, as well as at the 2020 Olympic Games in Tokyo, Japan, where she and Baloutinue, a 12-year-old Hanoverian gelding owned by St. Bride's Farm, helped the U.S. earn its second consecutive Olympic team silver medal. After a successful summer, Kraut and her Olympic mount were selected to be the anchor combination of the NetJets® U.S. Jumping Team at the Mercedes Benz Nations Cup CSIO5* in Aachen, Germany. The pair's efforts helped the U.S. earn the victory for the first time since 2005. In addition to focusing on her own goals, Kraut is dedicated to working with and mentoring younger generations of riders in an effort to help them successfully represent the U.S. on the greatest international stages.

LIONEL GUERRAND-HERMÈS TROPHY

Mimi Gochman

Gochman represented the U.S. on several Young Rider teams in 2021 and consistently produced fault-free efforts. In addition to winning the Young Rider Individual Final at NAYC aboard Celina BH, a 12-year-old Holsteiner mare owned by Gochman Sport Horses LLC, Gochman also helped Zone 2 earn a team silver medal at the same competition. Following those victories, Gochman and Celina BH competed on the FEI Jumping Nations Cup CSIOY team in Kronenberg, The Netherlands. The pair produced consistent clean rounds to help the team earn a sixth-place finish and then continued on to win the Ashford Farm Grand Prix CSIOY at the same competition.

R. BRUCE DUCHOSSOIS DISTINGUISHED TRUSTEE AWARD

Elizabeth L. Johnson

Johnson joined the Board of Trustees in 2013 and most recently served as a co-chair of the steering committee for the “Raising the Bar” Campaign. She was also hugely instrumental in the success of two Olympic and Paralympic benefits—the “Rockin’ Rio” Gala, which she generously hosted at her farm, and the “Take Me To Tokyo” Gala, which ultimately raised \$1.5 million for the Campaign. An amateur equestrian competitor, Johnson is the proprietor of Louisburg Farm, in Wellington, Florida, which owns all levels of show jumping horses including some that have represented the U.S. internationally at Nations Cup competitions and at FEI Jumping World Cup™ Finals.

Having horses that represented the country on the largest international stages, Johnson understands the scope of the resources and support that is required for U.S. teams to achieve and maintain excellence at the highest levels.

“The impact of an organization such as the USET Foundation is vital to sustaining our presence in the sport that is close to my heart,” stated Johnson. “It has been my honor to be involved with the USET Foundation, and to help ensure that the organization continues to flourish and be a critical resource for many years to come.”

William H. Weeks

Bill Weeks serves as Vice President on the USET Foundation’s Executive Committee and was co-chair of the steering committee for the “Raising the Bar” Campaign which exceeded its goal by \$2.3 million.

For Weeks, who has been a member of the USET Board of Trustees since 2009 and became Vice President of the Board in 2017, it was the involvement of his wife and three daughters in show jumping, and the equestrian community more broadly, that prompted his interest in supporting U.S. equestrian teams.

“My family was very immersed in the sport and I felt that my daughters benefitted a lot from the experience, and I wanted to give back,” shared Weeks. “One of the things that really motivated me was the magnificent grand prix horse, Madison, owned by my family and ridden by Kent Farrington. Madison and Kent qualified for the 2006 FEI Jumping World Cup™ Final in Kuala Lumpur, Malaysia, and it was at that competition that she won the KL Grand Prix. I am patriotic to begin with, but standing in the awards ceremony listening to our country’s national anthem because our horse had won was what motivated me to support U.S. equestrian teams and the USET Foundation.

“I knew Bruce Duchossois, and I saw his commitment to the USET Foundation,” continued Weeks. “He was a real example of someone you could count on and he was very committed to the Foundation, so for me, it’s humbling and a real honor to receive this award.”
