# From the President

Dear Friends,

As we reflect on the past year, I am filled with immense pride and gratitude for what the United States equestrian community has accomplished together.

U.S. equestrian athletes reached the pinnacle of global sport in 2025, topping FEI world rankings across multiple disciplines. In eventing, Boyd Martin rose to world number one for the first time in his illustrious career — the first U.S. eventing rider to achieve the feat in more than two decades — capping a season that included seven international victories. His standout performances included an exceptional showing at the Defender Kentucky Three-Day Event in Lexington, where he finished second, sixth, and seventh in the CCI5\*-L.

In para dressage, triple Paralympic gold medalist Fiona Howard became world number one across all grades in the FEI para dressage rankings in February. Shortly thereafter, Kent Farrington climbed to the top of the FEI jumping world rankings. At the same time, vaulter Ana Schult secured the number one position in the FEI vaulting female world rankings, rounding out a remarkable season of U.S. success.

Demonstrating strength in depth, in March 2025, the U.S. Jumping Team won the Nations Cup CSIO4\* at the Winter Equestrian Festival in Wellington, Florida. They topped the podium again at the Longines League of Nations™ in Ocala, Florida. They also excelled in Germany, winning the prestigious CHIO Aachen Nations Cup CSIO5\*. In Aachen, the U.S. Eventing Team also secured a podium finish in the CCI04\*, claiming second place at one of the sport's most competitive international events.

Several Nations Cup appearances and European tours throughout 2025 gave developing athletes valuable experience, preparing them for future success. The comprehensive US Equestrian (USEF) High Performance Pathway Programs spanning the seven FEI disciplines remain pivotal to the sustained success of U.S. equestrian teams and the lasting health of our sport.

In addition to supporting our senior team athletes, we must equally double down on our support for emerging and developing athletes. In its inaugural year, the United States Equestrian Team (USET) Foundation Performance Pathway Jumping Grant awarded a total of nearly \$75,000 in direct grants to eight deserving athletes, providing these promising riders with vital financial support to pursue career-enhancing opportunities.

These achievements are the result of extraordinary partnerships — between athletes and horses, coaches and support teams, and, importantly, between the USET Foundation, USEF, and this passionate community. Your generosity fuels the training, preparation, and competitive opportunities that enable sustained international success. Quite simply, excellence in equestrian sport is built over time and the victories would not happen without you.

Now, we look ahead with great excitement. In August, the world's best horse-and-athlete combinations will gather at the FEI World Championships in Aachen, Germany — one of the most iconic venues in our sport. We know our U.S. athletes, representing six of the seven high performance disciplines, will arrive ready to compete with the determination and professionalism that have become their hallmark.

Beyond the World Championships, the horizon holds a meaningful milestone: the 2028 Olympic and Paralympic Games in Los Angeles and the once-in-a-generation opportunity to compete on the greatest stage in sports on home soil. For our athletes, it represents the culmination of years of preparation and ambition. For our supporters, it offers a chance to see the impact of their commitment realized.

Distinction in the global arena is never the result of a single ride, a single horse, or a single moment — it is the peak of dedication, partnership, and the unwavering support of those who stand with us in our mission.

On behalf of the USET Foundation Board of Trustees, our athletes, and the entire high performance community, thank you for your belief and for the vital role you play in sustaining U.S equestrian excellence. Together, we celebrate the achievements of the past year and move forward with confidence and enthusiasm for what lies ahead.

With thanks,

A handwritten signature in black ink that reads "Kristi Mitchem".

# About the USET Foundation

## THE VISION

To promote international relationships, goodwill and better understanding of the United States through competition of equestrian teams and individuals of the United States with similar teams and individuals from other nations in the Olympic Games, Paralympic Games, Pan American Games, World Championships and other international equestrian competitions while fostering the highest ideals of horsemanship and the welfare of the horse.

## THE MISSION

The USET Foundation supports the competition, training, coaching, travel and educational needs of America's elite and developing international high performance horses and athletes in partnership with US Equestrian.

## THE GOALS

Supporting Athletes  
Promoting International Excellence  
Building for the Future

“*At US Equestrian, we strive to consistently develop and field the best equestrian teams in the world. Achieving this requires more than supporting our elite athletes — it also means investing in a strong pathway for the next generation. The annual funding we receive from the USET Foundation plays a vital role in making both possible and is a cornerstone of our high performance budget each year.*”

“*What the USET Foundation does is sustain support. Building teams takes time; building horses takes time. The USET Foundation provides that continued, sustained support that allows our teams to flourish. We have to think of the goal, because I grew up, and a lot of others grew up, thinking about showing for the U.S. team. Without the support of the USET Foundation, that wouldn't be possible. It was a dream come true to be on the team in Paris, and it's a week I'll never forget. I can't wait for 2028.*”

“*I'm extremely grateful to Mrs. Mars and the USET Foundation, and really appreciate being chosen for this grant. It falls on me to fund trips across the country – it's expensive for me to leave my teaching business at home, fuel up the truck, and handle all of the expenses that come with traveling. To get the grant is massive; it makes it possible. It's an honor, and I love riding for the USA.*”

– **James Alliston**

“*There are several factors that help athletes achieve top results and it's our job to ensure they have the opportunities and support to make their mark on the global stage. We're grateful to the USET Foundation, its donors, and horse owners for their dedicated support. It takes tremendous sacrifice and financial support for athletes to achieve their goals at the international and championship level.*”

“*When I first started in para dressage, we didn't have access to the support and programs that we do now. I love that we have been able to develop the US Equestrian Para Dressage Program so much with the help of the USET Foundation. I have watched this discipline grow from a struggling fledgling sport into having the number one-ranked team in the world. The financial and structural support from the USET Foundation and USEF — on top of the huge amount of effort from sponsors, owners, and my fellow teammates — are what made these results possible.*”

## WHITNEY STONE CUP

The Whitney Stone Cup is given in honor of the late Whitney Stone. Stone served as President and Chairman of the Board of the USET and was instrumental in the creation of a civilian team when the Army retired from competitive horse sports after 1948.

The Whitney Stone Cup is awarded annually by the USET Foundation to an active competitor whose consistent excellence in international competition and whose standard for sportsmanlike conduct and contributions as an ambassador for the sport and for the USET Foundation exemplify the U.S. Equestrian Team's highest ideals and traditions.

## LIONEL GUERRAND-HERMÈS TROPHY

The Lionel Guerrand-Hermès Trophy was established in 1983 by Patrick Guerrand-Hermès in memory of his son, Lionel, an Olympic hopeful trained by U.S. Eventing Coach, Jack LeGoff, who tragically passed away at the age of 18. A perpetual trophy designed by Patrick is inscribed with the winner's name and displayed at the USET Foundation's headquarters in Gladstone, New Jersey.

## R. BRUCE DUCHOSSOIS DISTINGUISHED TRUSTEE AWARD

The R. Bruce Duchossois Distinguished Trustee Award pays homage to the late Mr. Duchossois' leadership, generosity, and outstanding character and is awarded annually to a USET Foundation Trustee.

### Akiko Yamazaki

Akiko Yamazaki has been a deeply committed leader and champion of the USET Foundation for almost two decades. She has served as a USET Foundation Trustee since 2010, and in recognition of her leadership and dedication, was elected an Officer of the Board in 2019, a role she continues to hold as Secretary. Akiko has been a lead donor and steadfast advocate for the USET Foundation's mission, with particular impact in the dressage and vaulting disciplines where her support has helped advance athlete development and international excellence. Today, she brings that same vision and commitment to her role as Co-Chair of the USET Foundation's *Pathway to the Podium* campaign, helping to lead the Foundation toward a defining moment for the sport as the United States prepares to host the 2028 Los Angeles Olympic and Paralympic Games. Beyond her involvement with the USET Foundation, Akiko is a respected world-renowned owner of U.S. dressage horses and a Grand Prix-level competitor herself. As an owner, Akiko is known for her partnership with U.S. Olympic dressage athlete Steffen Peters through horses including Ravel, with whom Peters won the 2009 FEI World Cup™ Final, Suppenkasper with whom he won the team silver medal at the 2020 Tokyo Olympic Games, Rosamunde, and Pan American Games gold medalist Legolas. Akiko's dedication to horse sport extends to her daughters, Miki and Emi Yang; Miki as a Grand Prix-level dressage athlete and Emi as an FEI-level vaulter.

## PERFORMANCE PATHWAY JUMPING GRANT PROGRAM

The USET Foundation Performance Pathway Jumping Grant Program helps ensure that financial barriers do not prevent talented equestrian athletes from representing the United States. Through supplemental funding, we support athletes selected to compete in US Equestrian high performance teams, competitions, and programs. Whether traveling to elite international championships or gaining valuable experience through key development tours, the expenses of competing at the highest level—travel, horse transport, training, coaching—can be substantial.

Thanks to the generosity of Dr. Jennifer Gates Nassar, Nayel Nassar, and their team at Evergate Stables, this program bridges that gap, empowering athletes to focus on their performance and their dream of representing the U.S.

*“Being awarded the USET Foundation Performance Pathway Jumping Grant means so much to me. I was able to compete at NAYC which was a special moment for sure. I’m very, very grateful to be selected, it means a lot to me.”*

*– Haley Honegger*

*“I would like to immensely thank Jenn and Nayel for their generosity in making this grant possible! You allowed me, and I’m sure others, the opportunity to gain invaluable experience competing for the U.S. over in Canada. As a young rider, having to leave behind clients to travel a distance like that can be daunting! So again, thank you!”*

*“To represent the U.S. team at the Youth Nations Cup Final was a dream of mine, and after several years trying to qualify, I finally made it in my last year of age eligibility. To win gold my first — and last — year was a great accomplishment. The experience of competing in a championship as a team is an opportunity that doesn’t come around often. The atmosphere of the competition was incredible, and our U.S. team was amazing and so supportive.”*

*Without the Performance Pathway Grant, I wouldn’t have been able to afford the flights to Europe and back for my horse. The USET Foundation plays a vital role in the sustainability of equestrian sports because without their help and support, it wouldn’t be possible to send all of our U.S. teams around the world to compete and earn our spot in championships like the Olympics.”*

*– Skylar Wireman*

**TAYLOR KAMATARIS AND LAS VEGAS**

Photo by Kind Media

*“I’m incredibly honored to receive the USET Foundation Performance Pathway Grant and to compete in my first FEI event at NAYC. This opportunity marks a major step toward my goal of representing the U.S. in international competition at the highest levels. I’m competing with Las Vegas, a 17-year-old gelding who still gives everything he has when he is in the ring.”*

*To prepare, I’ve participated in the USHJA Emerging Athletes Program for two consecutive years and have earned championships at venues like World Equestrian Center (WEC) and Upperville. I come from a military family and found my passion for horses while moving around the country during my parents’ overseas deployments. I’m so grateful to the USET Foundation and its donors for helping make this dream possible, and to my longtime trainer Terri Young.”*

“The support of the USET Foundation, Dr. Jennifer Gates Nassar, Nayel Nassar, and the team at Evergate Stables make it possible for me to represent our team in my first three-start Nations Cup – an experience I’ll never forget. I’m deeply grateful for your belief in our athletes and in the sport we love!”

“I am so grateful to the USET Foundation for the Performance Pathway Jumping Grant which supported my journey to NAYC. Competing at NAYC has been a goal of mine and I am so excited to be participating this year. Thanks to the grant, I’ll gain the experience that will help me achieve my goals of continuing to represent Zone 9 at NAYC throughout my junior career and to eventually become a competitive grand prix rider. My sincerest gratitude goes to the USET Foundation and the selection committee for their generosity.”

“It feels very good to earn the USET Foundation’s Performance Pathway Jumping Grant, and to do so well here with my horse Small Change. I was not expecting it. I’m grateful for the opportunity.”

– *Khloe Kerins*

“Being able to represent the U.S. at the FEI Jumping Nations Cup Youth Final and to compete at this level was a great learning experience and something I had only dreamed of.

*The USET Foundation plays such an important part in assisting younger horsemen and women to gain experience and exposure and its Performance Pathway Jumping Grant played a huge role in enabling me to go to the Finals. Flying the horses all the way there is expensive and not something I have the money for, so I am so grateful for the support. Sometimes it’s hard to accept that there are things you can’t do simply because you can’t afford them, so having a grant like this, making it real and helping you out, is incredible.”*
